

**PUBLIC ANNOUNCEMENT
CITY OF FRANKLIN
WATER MAIN FLUSHING**

The City of Franklin Water Department will begin water main flushing on Monday, October 2nd, 2017. Hydrant Flushing will be done during the day between 7:30 a.m. and 3:30 p.m. Monday through Friday and continue through the month of October until the entire water system has been flushed.

During this period, customers may notice cloudy or discolored water. This temporary condition can be cleared by allowing the water to run for a short time. Water will remain safe for drinking and cooking. Laundry should not be washed during these periods to prevent discoloring of light colored fabrics.

We regret any inconvenience that the flushing may cause. Please contact City Hall at 586-4497 if your water does not clear up.
