Others present included City Manager Kenton Powell; City Finance Director, Shaunna Cornwell; Franklin Police Chief Roger Solomon; and, City Clerk Cathy Dillard.

Honorable Mayor Ronnie Clark called the meeting to order at 9:01 AM.

GENERAL GOVERNMENT

Finance Director Shaunna Cornwell asked the Commission to consider rescinding their December 10, 2018, award of bid for police cruisers to Freedom Dodge for state contract price in the amount of $23,027.00 each for three (3) cruisers and asked the Commission to re-evaluate the bids.

Mrs. Cornwell stated that through inadvertence she had not accurately compared pricing for the all-wheel drive model of the vehicles stated in the bid specifications. The bid from Hunt Ford was for an all-wheel drive model and the state contract price was for a rear wheel drive model. After re-evaluation of the bids it was determined that Hunt Ford was the lowest and most responsive responsible bidder for a total purchase price of $76,140.00 for the cruisers with the all-wheel drive.

Motion was made by Commissioner Powell and seconded by Commissioner Dixon to rescind the December 10, 2018, motion to award the bid of three new police cruisers to Freedom Dodge at the state contract price and to award the bid of the three new cruisers to Hunt Ford in the amount of $25,380.00 each for a total of $76,140.00 as the lowest and best responsive, responsible bidder and further authorized the Mayor to sign any and all documents necessary for this purchase.

RE: Grant for Hoy Park

Notification has been received that the City has been awarded $100,000 in grant funding for the development of Hoy Park Trail. The funding is through the Recreational Trails Grant program and administered through the Kentucky Department for Local Government. I wanted to give you a little history on the project.

In September of 2017 the City was deeded a tract of land near the corner of 31-W North and Highway 1008. The idea was presented to create a walking trail in the area. We learned that the area is home to Hoy Cave, which has become famous in Simpson County over the years. With the name of Hoy, I began doing some research and discovered that this area was the home of Thomas Hoy who moved to Simpson County in the early 1800’s. He received the land through a land grant. History goes on and one of the descendants of Thomas and Susan Hoy was Ella Hoy. Ella married Isaac Herschel Goodnight. The Goodnight family made numerous contributions to our community.

On April 25th, an application for funding was submitted to the Department for Local Government for a Recreational Trails Program Grant. The application requested funding in the amount of $100,000 for the development of Hoy Park near the corner of 31-W North and Highway 1008. The proposed development in the grant application included a walking trail, parking area, benches, trash cans and signage. Placing signs that give the history of the area, including the Family Cemetery and the Cave area, would be a way to preserve the heritage and history of the Hoy Family. The 1.477 mile gravel travel would be a place that residents of nearby neighborhoods could enjoy as well as others traveling by and parking in the designated area.
The total project cost is estimated to be $150,000, however, the grant does allow for in-kind labor. There is a 20% match requirement for the funding.

Included is a letter from Commissioner Sandra Dunahoo announcing our grant award. There are several steps we must complete prior to being able to move dirt. We must complete an environmental study and complete the plans. I will be working with the state on the grant agreement and other required documentation. I anticipate being able to begin construction on the trail in late spring or early summer.

Also included is a map of the project and photos of the area.

I was excited about the notification of funding and wanted to share the award with the Mayor and the Commission. Please let me know if you have any questions concerning the project or timeline.

RE: Hoy Park Trail
Fiscal Year 2018 Recreational Trails Program Project

Dear Mayor Clark,

I am pleased to inform you that Governor Matt Bevin has selected the above-referenced recreational project for funding in the amount of $100,000.00. I have directed staff to begin the necessary paperwork for submittal of the complete application to the Federal Highway Administration (FHWA).

Work cannot begin on the project until the complete application has been submitted, reviewed and officially approved by the FHWA. Only upon their approval and an executed Memorandum of Agreement with our office, may construction begin.

Again, congratulations on the selection of your project. Please be assured of our willingness to work with you in any way to achieve its successful completion.

Sincerely,

Sandra K. Dunahoo
Commissioner

Water run-off has created a ditch leading to the cave entrance.

A "path" has been formed from nearby residents riding bikes and ATV's in the area.
The area is home to beautiful, natural vegetation.
The Hoy family cemetery is surrounded by a rock wall. Some headstones are visible from the outside of the rock wall.
Records indicate the cemetery dates back to 1854 with the burial of Phillip Jay Hoy on September 2, 1854 and Mary Hoy on September 7, 1854.

WHEREAS, the Board of Commissioners of the City of Franklin has identified the property owners in or abutting the portion of the property to be closed to be Donald Gore and wife, Marilyn Gore, Anna Keen, unmarried, and Nancy Moseley, unmarried; and,

WHEREAS, the Board of Commissioners of the City of Franklin has determined that it is in the best interest of the City to close the public way which is described more specifically in the attached Exhibit A, and to authorize the City Attorney for the City of Franklin to take any and all actions necessary to convey a portion of the public way to be closed to Donald Gore and wife, Marilyn Gore; and,

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners of the City of Franklin, Kentucky, as follows:

1. The preambles to this Ordinance are true and correct and incorporated herein by reference.

May, LPLS #2142 dated December 5, 2018.

3. TO: Mayor Larry Dixon and Commissioners
FROM: City Manager Kenton Powell
DATE: January 9th 2019
SUBJECT: P&Z – Carter Munday Contract Extension

Carter Munday, Planning & Zoning Temporary Office Manager’s contract expired on December 31st, 2018. Carter has been instrumental in providing daily support for the P&Z office and the need has become even greater with the recent announcement of Bob Matthews’ retirement. Bob has been the Electrical Inspector for the City and County for approximately 15 years.

I feel it’s imperative to extend Carter’s contract to June 30th, 2019. This will allow the City and County ample time to determine the best course of action for the future concerns and daily operations of the Planning & Zoning office.

Extending Carter’s contract to June 30th, 2019 is an additional $30,238. With the extra unbudgeted expense the City still has a budgeted General Fund balance of $329,299.

Note:
Additional reference materials are on the following pages.

Proposed Motion
Extend Carter Munday’s Planning & Zoning Temporary Office Manager contract to June 30th, 2019 for the amount of $30,238 and have the Mayor sign all necessary documents.
INDEPENDENT CONTRACTOR AGREEMENT WITH CARTER MUNDAY

This Independent Contractor Agreement is entered into this __ day of January, 2019, in duplicate, between the City of Franklin, Kentucky, a Home Rule City (hereinafter referred to as "City"), 117 West Cedar Street, Franklin, Kentucky 42134 and Carter Munday (hereinafter referred to as "Munday"), ____________________________, Franklin, Kentucky 42134, both of whom understand as follows:

WITNESSETH:

The City, by and through the Mayor, desires to contract the services of Carter Munday as an independent contractor of the City of Franklin, Kentucky;

NOW, THEREFORE, in consideration of the mutual benefits to be derived by both parties from the implementation of the terms hereof, the parties do hereby covenant and agree as follows:

SECTION ONE
INDEPENDENT CONTRACTOR'S DUTIES

That for and in consideration of the payments and agreements hereinafter mentioned, to be made by the City, the Contractor hereby agrees as follows:

City agrees to contract with Munday to assist with certain duties for the Franklin-Simpson Planning and Zoning Commission, and to perform the duties set forth in this paragraph according to KRS 100.187 attached hereto as Exhibit 1 and incorporated herein by reference, and to perform any other legally permissible duties and functions as the City Manager, and/or in conjunction with Planning & Zoning staff, shall from time to time assign. Munday shall devote so much of his time as is required by the City Manager, and shall perform the following duties and functions in a professional manner:

1. Update and complete Planning and Zoning regulations and present to governing bodies for approval;

2. Update and complete the Comprehensive Plan according to the guidelines of KRS 100.187;

3. Develop flow charts of procedures for who, what, when and how to perform tasks at Planning and Zoning;

4. Compare revenue streams from the above processes and activities to ascertain if they create value or need adjustments; and

5. Itemize present application fees with the above job tasks and develop a measurement standard.
SECTION TWO
COMPENSATION, TERM, AND MISCELLANEOUS REQUIREMENTS

A. Munday shall be compensated at the rate of $4,652.00 per month during the term of this agreement. Munday shall bill the City monthly for his services. City shall pay Munday within five (5) business days of receipt of Munday’s invoice. Munday is responsible for all taxes and withholdings including, but not limited to Federal, Social Security, Medicare, FICA, State, City, County, unemployment, and all monthly, quarterly and/or annual returns/payments incident thereto. Munday’s failure to pay taxes when due is a reason for termination of this Contract. Contractor is also fully responsible for all of his own medical, retirement and/or other benefits.

B. This Independent Contractor Agreement shall continue on January 1, 2018 and shall terminate on June 30, 2019. By and through this Agreement, the City is conferring termination powers upon and authorizing the City Manager to act to terminate Munday for any reason he deems appropriate. Munday shall be deemed terminated one (1) week subsequent to receipt of a letter signed by the City Manager stating the intent to terminate.

C. The parties acknowledge and agree that the services performed by Munday shall be as an independent contractor and that nothing in this Agreement shall be deemed to constitute a partnership, employee/employer, joint venture, agency relationship or otherwise between the parties.

SECTION THREE
INDEMNIFICATION

Munday agrees to indemnify and hold the City harmless for and/or from any and all claims, causes of action, or demands made upon the City as a result of his performance of or failure to perform his obligations under this Agreement. This includes, but is not limited to all losses, liabilities, damages, costs, and expenses by reason of liability imposed by law on City, or otherwise, for damages as a result of bodily injury, including death at any time resulting from such bodily injury, sustained by any person or persons, or on account of damage to property, and/or loss of use of property, arising out of or as a consequence of performance of the work under this Agreement or caused by the negligent acts or omissions of Munday.

SECTION FOUR
COMPLIANCE WITH LAW

Munday shall comply with all applicable state, federal, and municipal laws, rules, and regulations in the performance of his duties under this Agreement, and Munday shall procure at his own expense all licenses and permits required by such laws, rules, and regulations including, but not limited to a City of Franklin Business License.

SECTION FIVE
INSURANCE

Munday shall carry throughout the term of this Agreement and any extensions hereto, insurance, properly extended to cover and protect City, with an insurance company or companies
acceptable to City to cover Munday in the performance of his duties. Munday shall name City as additional insureds under said policy of insurance. City shall pay Contractor, in addition to any other sums set forth hereunder, an amount equal to the insurance premiums for said insurance or, alternatively, City can pay the premiums directly to the insurance company on behalf of Munday. Munday's failure to keep insurance coverage shall result in termination of this Agreement.

SECTION SIX
ASSIGNMENT OF RIGHTS

The rights of each party under this agreement are personal to that party and may not be subcontracted, assigned and/or transferred to any other person, firm, corporation, or other entity without the prior, express, and written consent of the other party which consent may be withheld due to the personal nature of this Agreement.

SECTION SEVEN
ATTORNEY'S FEES

In the event that either party hereto defaults on any of its obligations pursuant to the terms of this Agreement, and the other party shall incur attorney fees in order to enforce rights under this contract, the breaching party shall be obligated to pay the non-breaching party's attorney fees incurred in enforcing its rights.

SECTION EIGHT
NO WAIVER

The failure of either party to this Agreement to insist upon the performance of any of the terms and conditions of this Agreement, or the waiver of any breach of any of the terms and conditions of this agreement, shall not be construed as thereafter waiving any such terms and conditions, but these shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

SECTION NINE
ENTIRE AGREEMENT

This Agreement shall constitute the entire agreement between the parties and any prior understanding or representation of any kind preceding the date of this Agreement shall not be binding upon either party except to the extent incorporated in this agreement.

SECTION TEN
MODIFICATION OF AGREEMENT

SUBJECT: P&Z – Carter Munday Contract

On Tuesday, September 4th Judge Executive Jamie Spears and I discussed with the Planning and Zoning Personnel, Carter Munday’s additional roles and responsibilities. These new responsibilities are listed on the following pages.
Carter has been working with the City & County P&Z office since September 12th, 2017 on updating and getting approval of the P&Z regulations, studying the operating budget plus reviewing best practices of other P&Z Offices in our surrounding areas.
Carter’s additional duties should provide consistent support and direction on a daily basis for the P&Z staff, contractors and citizens. Franklin-Simpson has been blessed with a lot of residential, commercial and industrial growth. With this growth requires extra focus to customer service, job quality and dependability. Carter’s experience and leadership will help P&Z staff navigate these challenging waters.

Certification under the Kentucky League of Cities (KLC) Certified City of Ethics Program is a way to recognize cities and city officials that have adopted principles and procedures that offer guidance on ethical issues, and a mechanism to resolve complaints at the local level. In addition, this program increases public trust and confidence in city governments and their services through the training and recognition that this program promotes.

Kentucky League of Cities Insurance Services (KLCIS) members receive a 20 percent discount on KLC Personal Policy and Certified City of Ethics Services. Our goal is to help your city reduce claims and lower liability. Participation in these programs also impacts the KLCIS loss control safety and liability review.

TO EARN A "CERTIFIED CITY OF ETHICS" DESIGNATION, A CITY MUST TAKE THE FOLLOWING STEPS.

STEP 1

Review ethics ordinance that meets minimum standards set out in KRS 65.003.

The city's ethics ordinance should be reviewed to be certain that it contains all the required elements of KRS 65.003, including definitions, an enumeration of permissible and impermissible activities by elected officials, and due process procedures for elected officials charged with a violation of the ordinance.

City officials, along with their city attorney, can consult KLC's Sample Ethics Ordinance when considering provisions to include in a comprehensive code of ethics or when amending the code of ethics.

The ordinance must be emailed or mailed to the KLC Municipal Law and Training Department staff for their customary review. The review will consist of making sure that all requirements in KRS 65.003 have been met.

Email – sshindlebower@klc.org or cstraw@klc.org

Mail – Kentucky League of Cities, Attention: Andres Shindlebower, 100 East Vine Street, Suite 800, Lexington, KY 40507

If the city ethics ordinance is found to be deficient, the city will need to amend the ordinance to bring it into compliance with the statute.

STEP 2

Adopt a resolution establishing the six ethics principles to govern the conduct of your city's officials and employees.

These principles are designed to guide the elected officials and employees as individuals and as a governing body.

These principles are:

- Serve the public interest, not our own
- Fulfill the duties and responsibilities of holding public office
- Be ethical and professional
- Be fiscally responsible with the city resources
- Communicate effectively and respectfully
- Create an environment of honesty, openness and integrity

The adopted resolution must include or at least reference the definitions of these principles. A sample resolution is available from KLC. A majority of the city's elected governing body must approve the resolution. A copy of the approved resolution should be mailed or emailed to KLC.

Email – sshindlebower@klc.org or cstraw@klc.org

Mail – Kentucky League of Cities, Attention: Andres Shindlebower, 100 East Vine Street, Suite 800, Lexington, KY 40507
STEP 3

Training on City Ethics Ordinance

Once the ordinance has been reviewed and is found to meet the requirements of KRS 65.003 and the resolution has been adopted, all elected city officials (and the Ethics Board/Commission) shall be trained on their specific city code of ethics.

The training shall take place at an open meeting of the city legislative body. City officials would be eligible for ethics training credit.

In addition, any employees, boards and commissions covered under the city code of ethics may also be trained at the rate of $150.00 per session.

STEP 4

Certification

Once it is determined that the ordinance and resolution meet the established requirements and the city has received the required training, the city will be designated as a "Certified City of Ethics."

Each city designated as a Certified City of Ethics will receive a framed certificate and a logo which can be incorporated into city stationery, road signs and other materials at the city's discretion. In addition, KLC will send news releases to the local media notifying them that the city has earned this designation, as well as provide recognition in KLC publications and events.

To maintain this status the city must receive training every four years on the ethics ordinance.

OTHER IMPORTANT ITEMS TO NOTE

- Once a city adopts an ethics ordinance and qualifies as a Certified City of Ethics, it is important to note that KLC does not enforce the ordinance.

KLC does not act as an enforcement or regulating agency. It is the city's local enforcement board that determines the acceptable level of ethical conduct of those elected to and retained in office and employed by the city.

- Cost for the program.

The initial review time to make certain that the ordinance complies with KRS 65.003, preparation for training and the actual training will be five hundred dollars ($500.00). Additional costs associated with this program will be mileage from the KLC office to and from the training location, any per diem or hotel if required, and any additional meals and or board training sessions at one hundred and fifty dollars ($150.00) per session. The need to spend the night will be determined on a case-by-case basis. These costs will be billed to the city at the completion of this program.

In the event that more than one city can be trained within one travel period, the additional travel costs will be divided between the two cities.

Once training is complete, KLC will invoice the city for the remaining expenses to be paid within thirty (30) days from the date of the invoice.

To officially engage the Kentucky League of Cities to complete this project, please provide a Resolution authorizing the signature below:
