It was noted that the $4,000,000 umbrella coverage on our property and liability policy that was just approved includes employer liability, which will bring the total employer liability limits up to $5,000,000 should the Commission choose to go with the Franklin Insurance offer which is staff’s recommendation. • Discussion and Possible Action — Employee Dental Insurance

Personnel Director/Deputy Clerk Rita Vaughn reviewed the information provided by Kentucky League of Cities (KLC) regarding the renewal of the Delta Dental employee dental insurance for fiscal year 2015-2016. Delta has restructured their plans and he closest to what we current provide which includes orthodontics, is Option 5 PRO Plus Premier. It offers a decrease in the annual deductible for employee only from what we currently have at $50 to the new plan at only $25, and for a family deductible that was $150 would only be $75 with the new plan. The annual maximum has increased from $1,000 to $1,500. The monthly premium for employee only coverage for Option 5 will be $20.22, which is a monthly increase of $2.97. Following full discussion motion was made by Commissioner Powell and seconded by Commissioner Dixon to renew the City employee dental insurance plan with Delta Dental for Option 5 – PPO Plus Premier through the Kentucky League of Cities and authorize the Mayor to sign any documents necessary per this motion. Voting aye: all. Motion carried unanimously.

• Discussion and Possible Action — Employee Life Insurance

Personnel Director/Deputy Clerk Rita Vaughn reviewed the employee life insurance and accidental death and dismemberment (A D & D) program the City provides the employees. The insurance, which equals two times an employee’s annual salary, is currently provided through Standard Life Insurance Company who also includes the same coverage for the Police Officers, but with coverage equal to three times their annual salary at the same rate. The renewal rate from Standard is $.277 per $1,000 for life, up from $.189 per $1,000 and .03 per $1,000 for A D & D which is the same as last year. Harding Benefits has been unable to find another company that would provide better rates for the same level of coverage we now have and no other company would provide the three-times their annual salary for the Police Officers. Following full discussion, motion was made by Commissioner Dixon and seconded by Commissioner Powell to renew the City’s Employee Life and A D & D Coverage with Standard Life Insurance at the renewal rate of $.277 per $1,000 for life insurance and .03 per $1,000 for accidental death and dismemberment and authorize the Mayor to sign any documents necessary per this motion. Voting aye: all. Motion carried unanimously.
• Discussion and Possible Action — Employee Health Insurance

Personnel Director/Deputy Clerk Rita Vaughn reviewed the employee group health insurance the City provides. Anthem is our current provider and their annual renewal quote initially reflected a 34.93% increase. After careful negotiation and research, Kelly Harding of Harding Benefits was able to get that renewal reduced to a 15% increase with only a minor deductible change, from $2,500/$5,000 to $2,600/$5,200. The health plan will utilize the HRA funds in the same manner as last year. The City currently offers an Anthem vision plan to our employees at no cost to the City. Following full discussion, motion was made by Commissioner Stewart and seconded by Commissioner Barnes to renew the Anthem Health Reimbursement Arrangement (HRA) and Flexible Spending Account (FSA) benefits as discussed for the fiscal year 2015-2016, continue to offer the Anthem vision plan as a voluntary benefit to our employees, and authorize the Mayor to sign any and all documents to continue the service with McGregor & Associates to administer the HRA and FSA benefits. Voting aye: all. Motion carried unanimously.
