WHEREAS, the City Commission has approved the granting of an inducement to the Company for the Project, pursuant to the Program, whereby it would forego the collection of the one percent (1%) occupational license fee on wages that otherwise would be due the City, which fee shall be retained by the Company, with respect to Project employees whose jobs meet the criteria and requirements established by the Program (“Qualifying Employees”) for a term of not longer than ten (10) years from the date the Company properly activates the Program’s incentives pursuant to KRS 154.32-030 and any agreement relating to the Project that the Company has with the Authority (the “Activation Date”).

This outstanding company headquartered in Bowling Green, Kentucky is considering moving a distribution project into the former Sun Products Building which is located on Page Drive in the Sanders Interstate Industrial Park.
